

GERRARDS CROSS GOLF CLUB LOCAL WINTER RULES

FROM NOVEMBER 1st 2011

PREFERRED LIES

A ball lying on any "closely mown area" through the green may be lifted without penalty and cleaned. Before lifting the ball, the player must mark its position. Having lifted the ball, he must place it on a spot within six inches of and not nearer the hole than where it originally lay, that is not in a hazard and not on a putting green. After the ball has been so moved or placed, it is in play, and if it moves after the player has addressed it, the penalty shall be one stroke – see rule 18 – 2b.

Penalty for breach of local rule: Match play – Loss of hole - Stroke play – two strokes

Note: "closely mown area" means any area of the course, including paths through the rough, cut to fairway height or less (rule 25 – 2).

PLUGGED BALLS

Through the green, a ball which is embedded in its own pitch-mark in the ground, other than sand may be lifted without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

Exception: A player may not obtain relief under this Local Rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this Local Rule.

Penalty for Breach of Local Rule:

Match play - Loss of hole Stroke play - Two strokes

ATTENDING THE FLAG

To protect the area around the hole, please do not attend the flag during social rounds of golf.
